Dear Mr Grisales,

We have received, reviewed and approved your signed notarized affidavit of compliance and your dust wipe analysis for lead content results as required under Order Number C2017-0056. You may resume renovation work but must do so using safe work practices.

You are now authorized to remove any notices related to the above Commissioner's Order which were posted in the building lobby by the NYC DOHMH Healthy Homes Program.

Sincerely,

A handwritten signature in black ink that reads "Deborah Nagin". The signature is written in a cursive, flowing style.

Deborah Nagin,  
Director
