WARNING: This email originated outside of Madison Realty Capital.

Hi Juan,

Thank you for your email for confirmation. The original order includes the samples our inspector collected during the initial visit. However, during follow-up visit on 1/3/22, construction dust and debris were observed on 2nd and 3rd Floor Public Hallways. Clearance dust wipes are needed to be sampled from the areas listed in the order as well as the areas where construction dust and debris were observed during follow-up visit. So, the 2nd Floor Public Hallway – Floor sample is still needed. I apologize for the confusion and hope this clarifies.

Please let me know if further clarification is needed.

Thanks,
Cing

Hello,

I am writing to inquire about the additional sample required per your letter dated May 23, 2022 (attached). The original order (also attached) only required samples on the 3rd floor. We did not receive a notice requiring samples to be taken on the 2nd floor. Please verify and confirm as we did not receive an additional request via email or regular mail.

Thanks
